BRLSI, (Parking 5 mins away at Charlotte St Car Park)  
16-18 Queen Square, Bath BA1 2HN**

**7:30<sup>PM</sup> - 9:30<sup>PM</sup>**

**[bathtrams.uk](http://bathtrams.uk)**

A leading French tram engineer will explain how and why 33 cities had trams re-installed because it was found that buses did not work in cutting car traffic and congestion, resulting in commercial regeneration of the cities.

An example will be Besancon of about the same size as Bath.
